

# HELP US DISPENSE A LITTLE KINDNESS

Many people may find it hard to believe that anyone associated with pharmacy could experience financial hardship. But we know from experience that it exists but is often hidden. Like many other professions, pharmacy has a benevolent fund to support colleagues and their families who have fallen on hard times and need a helping hand. That's where the **Pharmacy Benevolent Fund** comes in. A small monthly donation from you (even €5 or €10) will make a huge difference in allowing us to continue helping colleagues and their families in genuine need.
